STOP EXMO_20 ACTION GROUP (SEAG) NEWSLETTER

November 2026

Intro

Welcome to the latest newsletter from the Stop Exmo_20 Action Group, standing against the proposed development of land at St John's, Exmouth, known as Exmo_20.

Online Petition

Our online petition is now approaching 1500 signatures after several members of the group have been collecting signatures in Exmouth town centre and Budleigh town centre on consecutive Saturdays spreading the word. We do need to continue the momentum with this, so please continue to share the details with family and friends and anyone else you can think of.
